danish quapoor

Friday 25 October - Sunday 27 October 2024

6-9pm Fri | 9am-1pm Sat | 9am-1pm Sun

Artist Talk 10am Saturday 26 October

delphic presents selected works from North Queensland based artist Danish Quapoor's *good grief* series, alongside complementary new works. These include illustrative biomorphic paintings on shaped, stretched paper, and an abstract animation. The exhibited fluid forms illuminate the artist's interrogation of shifting personal identity, familial relationships and grievances, and otherness within heteronormative regional contexts. These themes are layered with ambiguity, humour and misdirection. The works are also unified by their style, ostensible simplicity and sparse compositions.
