SI S DEGREES MINISTRUMENTAL POPE > CAMERON FORSYTH > MARION CALMINES ON MINISTRUMENTAL PROPERTY OF THE PARTY OF THE PARTY

SICs Degrees is an art project,
exhibition & online gallery experience,
featuring 16+ artistic collaborations. Riffing off the
spread of COVID-19, artist and curator Danish Quapoor nominated
2 artists, who in turn nominated 2 artists, and so on. Quapoor then
curated pairings of the 16 commissioned artists to collaborate in a chain,
by posting unfinished artworks to each other. Each artist started one work and
finished a separate work. The commissioned artists are from Melbourne, Sydney,
Townsville and other regional areas of Australia. Audience members and artists can also
collaborate and complete the unfinished works for free by downloading images online and
resubmitting them by 7 November 2020 here: www.danishquapoor.com/sics-collaborate
The finished commissioned works and select online submissions will be presented in the
exhibition. Visitors to the exhibition are required to comply with COVID-19 safety directives
including social distancing of 1.5m, capped capacity and recording contact details in the
event of contact tracing. The Regional Arts Development Fund is a partnership between the Queensland.
Government and the Townsville City Council to support local arts and culture in regional Queensland.
